MOM + mini is the best online retail store specializing in pregnancy products, maternity essentials & baby care products. At MOM + mini , a vast range of quality items is available at your convenience to help you through the early years of parenthood. With one glance at MOM + mini 's extensive range of maternity products, you know that you are all set to celebrate parenthood in style. MOM + mini delivers nothing less than the best to make your extra special phase remarkable.

Our team of experts spends more than 400 hours per week researching products, conducting hands-on tests, interviewing industry pros, studying market research, and reviewing consumer feedback. We do not use an algorithm or software to choose any products — they are all hand-picked by us!

At MOM + mini , we believe in a customer-centric approach. We are continuously working to provide the best shopping experience –from the best selection, product detailing & customer reviews at the best possible after-sales supports
